Using the Retrospect Partner-Ready Email

1. Using the file “Q2 Retrospect Sales Promotion Copy.docx” included in the Q2 Sales kit, create a landing page on your web site with the details of the Retrospect Q2 promotion.

2. Open the Partner-ready email file “Q2 campaign partner ready email.html” in an email editor like Adobe Dreamweaver. Link to the sales promotion page that you created to the blue “Learn More” type.

(If you are not able to create a landing page, you can also link this to the promotions page www.retrospect.com/promotion/sp12ofb on the Retrospect web site)

3. Add your company contact information at the bottom of the email, and replace the “Partner Logo” image with your own company logo.

4. Add your company and privacy policy information at the bottom of the email
